Flag: Follow up

Hey,

I'm not sure if the version saved to the website, didn't like that I tried to rename it, so...Here you go.

Thanks,

Ryan

PS – Has anyone had trouble with the SharePoint RTC document? I've been in there a few times looking at things, and then all of a sudden it glitches and Word completely shuts down. This is a new one for me!

Monica

Subject: EFED Neonic RR RTC Weekly Mtg - follow up from 12/16 mtg

Hi everyone,

Thanks for bearing with me during yesterday's neonic RTC meeting, had a lot to juggle that day. Below are a few notes and follow-up items from yesterday's meeting:

- **TEAM TASK: Between now and COB 12/23** – incorporate comments and feedback into a “pre-final draft RTC” ready for EFED IO and BC review on 1/4.
- **Chemical-specific teams**, please individually follow-up with folks on questions and review requests that were discussed yesterday and anything new that has arisen. Then, please incorporate edits, remove comment bubbles, and “clean-up” your individual sections as the issues are resolved.
- After the meeting, I was reflecting on how many questions for PRD we were accumulating and referencing during our discussion. I’m going to compile a list of PRD questions in an email to send to them (it’s likely I may miss some questions) and will also suggest a meeting. I think it would help to talk through some of these issues with PRD for quicker and easier resolution. I will suggest the first week of January.
- I bumped our next RTC check-in to Tuesday 12/22 (9 – 10 am) in case more folks are in the office that day (as opposed to Wednesday 12/23).

Draft RTC is here on SharePoint: [044309+ DP460138 RTC-PID-Neonics 11-25-2020 DRAFT.docx](#)

Thanks,
Monica

Subject: EFED Neonics RR RTC Weekly Mtg

When: Wednesday, December 16, 2020 12:30 PM-1:00 PM (UTC-05:00) Eastern Time (US & Canada).

Where: Microsoft Teams Meeting

Hi everyone,

Below are the items on my radar for today’s discussion:

- **RTC Schedule**
 - **Wed 12/16 to Tues 12/22** – Incorporate revisions to RTC, as needed; cross-team discussions; consistent formatting check
 - **Wed 12/23 COB** – draft RTC ready for concurrent EFED BC and IO review
 - **Mon 1/4 to Fri 1/8** – EFED BC and IO concurrent review
 - **Fri 1/15** – draft RTC to PRD
- Go round of teams to raise cross-EFED coordination issues; alert folks to specific responses / sections that need their review and input
 - Priority order if anything critical; if not, by team (clothi, dino, imi, thia)

Monica

Hi everyone,

I'm adding this recurring weekly meeting so the neonic team members can coordinate on the PID RTC documents, as needed.

Thanks,
Monica
